NATURA-TURALY

NATURA-TURALY

My twin brother and I, we like and dislike the same things. Whatever we do, we do together. I thought we'd always be together—it seemed obvious. But a man appeared who says he is my brother. Is the world I thought would go on forever starting to collapse?

A BL work drawn from the point of view of a girl. Includes all new material!

NATURALLY

libre

And my twin brother.
The things we do, usually
consider everything we do, we
do together. That's natural for
us, and we didn't have
any complaints.

We thought we
would always be
together like this.

We thought that would always

We didn't think there
would come a day when
that would be questioned
We thought the world would
forever continue with just
the two of us

NATURALLY

Isosaki Ryugū

He's a year older,
has a good sense of
humor, isn't the type to
be overly self-absorbed,
a somewhat refreshing
and interesting male

He's generally
liked overall

Above taken from
interview that you're
are grabbed and
questioned in the
interview

WANT TO
YOU WANT TO
TO HEART

WE
WERE ONLY
SUPPOSED
TO WATCH
THE MOVIE

HEART

WE'RE
GOING
HOME

WE'RE
GOING
HOME NOW
BUT HAVE
YOU SEEN IT
YET? NOT
YET

I ALREADY
SAID THAT
BUT...

The
let's
just
and
it

WHAT DOES IT
FEEL LIKE.

I LIVE
IT.

YES.

THE NEW spiritual subjects
are being more accepted.
"Heads I lose you"

TO LIVE
SOMEONE?

HAVE I ALREADY
STARTED TO
HATE YOU

I THINK AND
THINK AND THINK
ABOUT YOU ALL
THE TIME.

I CAN'T
EXPLAIN IT
VERY WELL,
BUT...

IS THAT
SO...

SLAM

...my twin
brother

Whatever
we do, we
do together.

We
thought
we would
always be
together
like this

That's
natural for
us, and we
don't have
any com-
plaints

As is...

That's what
we've always
thought

AND THANKS
FOR TEND-
CONCERNITY.

IT'S BEING
BACK FIRST.

That was
before he met
and we still have
my computer

We are up here
together The things
we share and the
things we like
study outside

Everything

We did
everything
together

Up

*"Does this
satisfy you?"*

*If I'm not
your number
one, then don't
be nice to me.*

Shut up.

Kid,

what

*I already
know.*

and with things
that we liked.

...with things
we hated,

We were
always the
same.

ABOUT

A BOMB
ABOUT?

YES.

NO.

WHY NOT?

WHY DON'T
YOU JUST GO

ABOUT

THAT
TILL HE GET
FIRST.

OH

THAT'S

THAT'S

NO
REASON

ABOUT

IT'S NOT
GOING

ABOUT THAT
ABOUT THAT
LET'S GO
TOGETHER

Natura-turaly / END
